

The Nordic Neuropaediatric Society
NNPS 38th meeting
Stockholm May 27-28 2020
Second announcement

This is the second announcement for the 38th meeting of the Nordic Neuropaediatric Society in Stockholm, Sweden. The meeting will be held in adjunct to the research meeting of the European Society of Paediatric Neurology thus creating a full week of neurology from both a clinical and a research perspective. Both meeting and course programs are now set and online registration will open via the webpage on Jan 27th. Abstract submission is open and has been extended to February 29th.

Training Course 26th may

The NNPS training course this year focuses on “*Cerebral Palsy – State of the art*”. Attendance is limited to 25 participants to ensure an interactive course.

NNPS meeting 27-28th may

The scientific program for the meeting is enclosed in this announcement.

EPNS 7th Research Meeting 29-30th may

Following the meeting is the biannual Research Meeting of EPNS
<https://www.epns.info/epns-research-meeting-2020/>

We look forward to your participation in the meeting.

Abstracts

We welcome abstracts within all areas of paediatric neurology. All abstracts should be written, submitted and presented in English only. Please send abstracts to nnps2020@gmail.com.

Deadline has been extended to February 29th, 2020.

1. Abstracts should be no longer than 250 words (this limit excludes the abstract title and information about authors)
2. Abstracts should be structured in 4 sections: Purpose, method, results and conclusion
3. The first name in each abstract should be that of the presenting author
4. Information concerning hospital, city and country should be provided for all authors
5. Instructions for both platform and poster presentations will be made available with notices of acceptance

Poster prize

The best poster presented by a trainee will be awarded with DKK 5000.

The NNPS training course will take place at Karolinska University Hospital whereas the main meeting will be held in the house of the Swedish Society of Medicine located in the downtown area of Stockholm.

All information for the training course and NNPS meeting is available on the conference website <https://www.nnps2020.se/>. There you also find information about booking of accommodation and conference registration.
