

The Nordic Neuropaediatric Society
NNPS
38th meeting
Stockholm September 29th – October 1st 2022
First announcement

Following the postponement of the planned 2020 meeting due to the COVID pandemic, we are now pleased to announce a new date for the 38th meeting of the Nordic Neuropaediatric Society in Stockholm, Sweden.

This will thus be the regular biannual meeting.

Main meeting September 29th – October 1st

The programme has four main topics: epilepsy, neurometabolic disease, neuroinflammatory disease and neuromuscular disease. It is designed for paediatricians, paediatric neurologists, and trainees interested in paediatric neurology, with emphasis on clinical settings.

Training Course September 28th

The meeting is immediately preceded by NNPS training course, this year

“Cerebral Palsy – State of the art”

Attendance is limited to 25 participants to ensure an interactive course.

We look forward to your participation in the meeting.

Abstracts

We welcome abstracts within all areas of paediatric neurology. All abstracts should be written, submitted and presented in English only. Please send abstracts to nnps2022@gmail.com. Deadline is May 31st, 2022.

1. Abstracts should be no longer than 250 words (this limit excludes the abstract title and information about authors)
2. Abstracts should be structured in 4 sections: Purpose, method, results and conclusion
3. The first name in each abstract should be that of the presenting author
4. Information concerning hospital, city and country should be provided for all authors
5. Instructions for both platform and poster presentations will be made available with notices of acceptance

Poster prize

The best poster presented by a trainee will be awarded with DKK 5000.

More information about the booking of accommodation and the conference registration will be provided in the second announcement.
